

Safety Message

- Aquasplash holds safety at the very core of its operational principles, Safety is the corner stone upon which all of our activity is based around.
- It is very important for all participants to understand and adhere to the safety rules Aquasplash has in place. The rules and guidelines you will see on this website, our ride agreement and placed around our parks are there for your safety and well being.
- As a participant on the Aquasplash you are performing a physically demanding activity based in a marine environment. The course is designed to challenge you physically and mentally, there are many difficult modules to traverse.
- Aquasplash is an awesome activity that appeals to a wide range people from all ages and abilities.
- Please read and understand the rules and guidelines for Aquasplash and remember to enjoy our fantastic concept safely and responsibly.
- If you have any questions feel free to e-mail us at safety@aquasplash.com.au or ask our friendly staff when you arrive at our venue.
